

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE LODI CITY COUNCIL**

BOB JOHNSON

Age:

Occupation: Real Estate Appraiser/Columnist

My education and qualifications are: Lodi is at a cross road. Decisions made over the next few years will define our community and quality of life for decades to come. Ground water contamination, the rising cost of government, the pressure of growth from the south – all are significant issues to be resolved.

As a husband, father and small business owner, I am deeply concerned about the complexity of the problems facing us today. Lodi needs proven, independent decision makers with real life experience to lead our community. That is why I am a candidate for Lodi City Council.

I have the background and experience to make a difference on the City Council. I support strong police and fire services. The implementation of a prudent long term spending plan will be one of my highest priorities. We must find a way to expand our economic base to generate jobs and revenue for our community. The leisure services that mean so much to our seniors and youth must be preserved.

I promise that every issue that comes before me will receive my fullest attention. I will always place community interests ahead of my own. I look forward to working on your behalf and I welcome your support.
